Re: Runza® Receives “Friend of Booster” Award from Kearney High School

LINCOLN, NE—

Earlier this month, Runza® Restaurants received the “Friend of Booster” Award from Kearney High School. The award is given in appreciation and recognition for helping athletes achieve their potential.

To assist the club, Runza® donated goods to both of the largest fundraising efforts coordinated by the organization; the tailgate party & barbeque and the golf tournament. Tim Higgins, managing partner of both Kearney locations, and staff provided all of the food, drink, condiments, and paper goods for the barbeque. Additionally, Runza® donated sack lunches for those participating in the Booster Club golf tournament. The events raise thousands of dollars for Kearney High athletes.

“The booster club is an important way the community can support high school students. We sincerely appreciate this honor,” said Higgins.

Runza® Restaurants – famous for the Runza® Sandwich with its delicious blend of ground beef, cabbage, onions and secret spices baked inside homemade bread; made-to-order hamburgers; and homemade onion rings – operates and franchises 76 restaurants in Nebraska (72), Colorado (2), Iowa (1) and Kansas (1).
